Welcome to a continuous Day of Prayer when we will be joined by many others who will be praying singly or in groups throughout the country.

Our nation is in a mess and we are grateful to you for responding to the call for prayer for our nation in these desperate days.

Britain has not been in such great need of prayer since the early days of the Second World War when our troops were stranded on the beaches of Dunkirk waiting to be rescued. In those days the nation prayed and Winston Churchill acknowledged that a great miracle had occurred with the Channel calm and low cloud cover stopping enemy aircraft from bombing the beaches and allowing the little boats to rescue our men.

We are looking for a miracle of transformation today in the affairs of our nation when our representatives in Parliament are in total disarray. Only God can bring order into this situation and we believe that he still has a purpose for this nation despite our sinfulness and turning away from our precious biblical heritage.

We come before God in humility, confessing the sinfulness of the nation which we are a part and asking for mercy. We come, not trusting in our own righteousness but only in the Name of Jesus our Lord and saviour. We ask our loving Heavenly Father to give a breakthrough in the impasse we face and to do something that will amaze unbelievers and will give the opportunity for believers to witness to the truth of God's love and mercy in working out his purposes.

.....
Guidelines for today

- Please register at the desk if you have not already done this on Eventbrite. Everyone will be given a label - please wear this at all times – you will be checked out if you need to leave the building at any time and checked back in on returning.
- The Stewards will be able to help if needed at any time and they will all be identified by the bright yellow lanyards they are wearing.
- Please note this is a continuous Day of Prayer so there will be NO breaks for comfort stops or lunch – only breaks between thematic prayer along key issues.
- During these breaks, when worship will be continuing, please enter or leave the auditorium sensitively.
- Use these times to have a drink, eat your lunch, look around the Resources, use the rest rooms and then come back in in the next break.
- Free Tea and Coffee will be available in both the Resource Halls where the stands will be manned throughout the day.
- The Café will be open for refreshments at lunchtime and food should be eaten in the space provided.
- Others around the country will also be praying with us where they are and on the screen will be bullet points of the issues they will be praying for on each of the themes – use any spare time you have to make your own notes for prayer.
- All themes will include times of repentance and both individual and corporate prayer.
- Please note this is a free event – but there will be baskets by each of the exits and entrances if you wish to make a donation towards the costs.
- If you receive any word from the Lord during the meeting please share this with the Stewards in the front right hand corner when facing the stadium.

SESSION 9 Islam

Although Islam claims to be a religion of peace, the Quran urges Muslims to kill Jews and Christians as part of its intention of achieving world dominance. How should Christians relate to Muslims?

Use this space for making your own Bullet Points for Prayer:

- Rising emergence of influence and control being exerted.
- False /compromised view – ‘all one god’

SESSION 10 Unity and Spiritual Awakening

God loves to see unity among his family of believers, but unity at any price undermines the gospel. We have to exercise discernment and wisdom in our walk with others.

Use this space for making your own Bullet Points for Prayer:

SESSION 7 Global Sexual Revolution

Changing the image of a man and a woman created in God's image brings about God's judgement. Sexual licence follows family breakdown as night follows day. Today, Western nations use their power to spread their post-modernist philosophy – very often unscientific and untested - which is serving to restrict freedom of thought, speech, parental responsibility and is also linked with the acceptance of LGBTQNZ... standards

Use this space for making your own Bullet Points for Prayer:

We repent of

- our cravings for 'personal peace and affluence' (Francis Schaeffer)
- being ostriches, cowards and colluders and allowing our leaders to 'play it safe'
- our own moral weakness and failure and sexual sin
- a lack of concern for sexual strugglers trapped in damaging lifestyles
- failing to support Christian victims sacrificed on the altar of political correctness

We ask God to

- help us see the dangers now upon us and raise the alarm!
- send us 2019 Churchills and Bonhoeffers who are wise and fearless
- grow the Once Gay and other healing movements for sexual strugglers
- protect children and young people from force-fed destructive ideologies
- stem the tide of totalitarian political correctness

SESSION 8 Education

Education is a major characteristic of a civilised society, but it is often used for social engineering global powers spreading their libertarian philosophies among the developing nations.

Use this space for making your own Bullet Points for Prayer:

- SRE – silence of people to oppose damaging material being taught
- Ofsted's push to change or silence schools not promoting LGBTZNPs....

Themes for Prayer during the Day

SESSION 1 Government and Brexit

The majority of the nation in 2016 voted to leave the European Union but out of 650 MPs 500 voted to remain so we have a parliament that does not represent the people: hence the enormous battle to get out.

Use this space for making your own Bullet Points for Prayer:

- Removal of safeguards (laws and legislation) that have protected public against unholy, society damaging behaviours and practices.
- Infiltration of evil men & women in key positions to change this nation – seen especially in education/Ofsted
- Irish border issue –solution
- Need for Christian MPs to find their voice
- Coming push to legalise euthanasia

SESSION 2 Church

The church is called to be the prophet to the nation declaring the unchanging word of God in the changing times. God holds the church responsible for the moral and spiritual state of the nation.

Use this space for making your own Bullet Points for Prayer:

- Tolerance of liberal theology
- Silence of church and church leaders on key moral issues

SESSION 3 Israel and Antisemitism

The root of anti-Semitism lies in the hatred of God by rebellious human beings. This is directed at the Jews because of their special relationship with God.

Use this space for making your own Bullet Points for Prayer:

- Bias attitude in business, govt, church and media towards Israel
- Links with Israel post Brexit
- Voices in our communities and govt to challenge antisemitism

SESSION 4 Secular Humanism

Secular humanism is worship offered to the ancient enemy of God, who ever since Eden has battled to assert and seize control. The enlightenment put man at the centre of the universe. Communism rejected God. Secular humanism is child of this unholy alliance.

Use this space for making your own Bullet Points for Prayer:

- Repentance for the nation's rejection of God and worship of sexual licence, depravity, and death.
- Repentance for tolerance of secular humanism in the church
- Proclaim the inalienable sovereignty of God over our nation.
- Pray He purify and restore us to righteousness.
- Pray that the controlling spirit behind Secularism be exposed, and that men and women turn from it in revulsion and disgust.
- Pray the Lord raise up anointed and godly leaders in the Church - who will stand on the Gospel, fight off the wolves, and defend those entrusted to their care.

SESSION 5 Life issues

Once we abandon belief in the God of Creation we no longer hold the sacredness of life. Today the land is soaked with blood of the innocent through abortion, murder, violent attacks, suicide ... and the battle is now being directed towards the end of life.

Use this space for making your own Bullet Points for Prayer:

- Abortion – now edging up to full term. Since approval of abortion in the UK in 1967 over 9 million deaths
- High rates male suicides
- Divorce & the deconstruction of family
- Unstemmed tide of knife crime
- Rise of Satanism, witchcraft,
- Re-emergence of the call to legalise euthanasia
- The steady removal of the safeguards that have protected the vulnerable and exposed our people to evil on an unprecedented level scale.

SESSION 6 Families

The family is the linchpin of society. When it is weakened children are the first to suffer. Today, fatherlessness, drugs, knife crime, homelessness and many other social problems are all related to family breakdown.

Use this space for making your own Bullet Points for Prayer:

- Increasing Government control is diminishing the role/responsibility of parents in upbringing of children
- Fatherlessness—absence of role models and affirmation
